

ONOWAY REGIONAL FIRE SERVICE

HAPPY NEW YEAR!!!

Our First-Year Statistics are In!

North West Fire – Onoway (Operating as Onoway Regional Fire Services) - Canada's first hybrid fire service combines the strength and competencies of a private full-service fire and safety company with the core-values and dedication of a community-based public volunteer / paid-on-call public fire department to deliver enhanced emergency 911 response within the budgets of smaller municipalities. Between our fulltime and career members and our paid-on-call friends, family, and neighbours our team is proud to report the following performance statistics for the calendar year 2016:

128 Emergency Call-Out Responses

Average 7-Members on First Alarm Assignment – 24/7

3-Minute Average Chute Time (time from page unit first unit departs) – 24/7

8-Minutes Average Time to Scene From Page-Out (area wide – includes remote communities)

In addition to our municipal fire, rescue, & medical response, we are proud to have helped out our friends and neighbours during this spring's wildfire season including: Duffied / Paul Band Fires, Alexis Wildfire, and of course, battling "The Beast" in Fort McMurray.

Onoway Regional Fire Services provides fire, rescue, and medical first response to the communities of Alberta Beach, Castle Island, Nakamun Park, Onoway, Silver Sands, Southview, Sunset Point, Val Quintin, Yellowstone. Additionally; we remain ready, willing, and able to support our friends at Lac Ste. Anne County Fire Services, and partners Alberta Health Services, & Alberta Transportation should the request be made. We also advocate for an automatic aid agreement / dispatch protocol along provincial transportation corridors and elsewhere – to ensure emergency services are delivered on mass and without delay to all Albertans.

"The Courage To Go In... The Knowledge To Get Back Out"

WE ARE HIRING!

ORFS is recruiting both experienced rookie firefighters (no experience or training necessary):

If you are community-minded and would like to learn new skills and knowledge – either as a hobby (more of a passion) or vocation, Onoway Regional Fire is the place.

All accepted recruits become fully-trained and accredited firefighters before responding on calls. Once in service, members are given ample opportunity to further their fire / rescue education and advance their careers. All free of cost!

Next Recruit Class Starting SOON.
