MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

Management of the Summer Village of Sunset Point is responsible for the preparation, accuracy, objectivity and integrity of the accompanying financial statements and all other information contained within this Financial Report. Management believes that the financial statements present fairly the Summer Village's financial position as at December 31, 2020 and the results of its operations for the year then ended.

The financial statements have been prepared in compliance with legislation, and in accordance with Canadian public sector accounting standards (PSAS).

The financial statements include certain amounts based on estimates and judgments. Such amounts have been determined on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

In fulfilling its responsibilities and recognizing the limits inherent in all systems, management has designed and maintains a system of internal controls to produce reliable information and to meet reporting requirements on a timely basis. The system is designed to provide management with reasonable assurance that transactions are properly authorized and assets are properly accounted for and safeguarded.

These systems are monitored and evaluated by management and reliable financial information is available for preparation of the financial statements.

The Summer Village Council carries out its responsibilities for review of the financial statements through its regular meetings with management and external auditors to discuss the results of audit examinations and financial reporting matters.

The external auditors have full access to the Council with and without the presence of management. The Summer Village Council has approved the financial statements.

The financial statements have been audited by Al Scherbarth Professional Corporation, Chartered Professional Accountant, independent external auditors appointed by the Summer Village. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Summer Village's financial statements.

INDEPENDENT AUDITOR'S REPORT

TO THE COUNCIL OF SUMMER VILLAGE OF SUNSET POINT

Report on the Audit of the Financial Statements

Opinion

I have audited the consolidated financial statements of Summer Village of Sunset Point, which comprise the consolidated statement of financial position as at December 31, 2020, and the results of its operations, changes in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Summer Village of Sunset Point as at December 31, 2020, and its financial performance and its cash flows for the year then ended in accordance in accordance with Canadian public sector accounting standards.

Basis for Opinion

I conducted my audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Summer Village in accordance with the ethical requirements that are relevant to my audit of the financial statements in Canada, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Summer Village's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Summer Village or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Summer Village's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission,

misrepresentation, or override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Summer Village's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Summer Village's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Summer Village to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I will communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- Debt Limit Regulation
- In accordance with Alberta Regulation 255/2000, I confirm that the municipality is in compliance with the Debt Limit Regulation. A detailed account the Summer Village's debt limit can be found in Note 6.

**SUMMER VILLAGE OF SUNSET POINT
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2020**

1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the Summer Village of Sunset Point are the representations of management prepared in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Chartered Professional Accountants Canada.

Significant aspects of the accounting policies adopted by the Summer Village are as follows:

(a) Reporting Entity

The consolidated financial statements reflect the assets, liabilities, revenues and expenditures, changes in fund balances and change in financial position of the reporting entity. This entity is comprised of the municipal operations of all of the organizations that are owned or controlled by the Summer Village Council for the administration of their financial affairs and resources.

The schedule of taxes levied also includes requisitions for education, health, social and other external organizations that are not part of the municipality reporting entity.

(b) Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon the receipt of goods and services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used for certain programs, in the completion of specific work, or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed or the tangible capital assets are acquired.

(c) Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditure during the period. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

(d) Investments

Investments are recorded at amortized cost.

(e) Government Transfers

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return.

Government transfers are recognized in the financial statements as revenue in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

**SUMMER VILLAGE OF SUNSET POINT
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2020**

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) Tax Revenue

Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred.

Requisitions operate as flow through and are excluded from municipal revenue.

(g) Requisition Over-levy and Under-levy

Over-levies and under-levies arise from the difference between the actual property tax levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. Where the actual levy is less than the requisition amount, the under-levy is accrued as a receivable and as property tax revenue.

Requisition tax rates in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

(h) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the consolidated Change in Net Financial Assets (Debt) for the year.

(i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful life as follows:

Buildings	50 years
Engineered structures - roads	20 years
Machinery and equipment	20 years

One-half of the annual amortization is charged in the year of acquisition and in the year of disposal.

2. CASH

	2020	2019

Restricted cash	<u>530,628</u>	<u>530,628</u>
	<u><u>\$ 635,306</u></u>	<u><u>\$ 836,621</u></u>

Cash includes cash in the bank and temporary investments with original maturities of three months or less. The cost of the temporary investment approximates the market value.

Included in Cash are restricted amounts of \$530,628 (2018 - \$183,247) received from the Municipal Sustainability Initiative, Federal Gas Tax Fund, and the Basic Municipal Transportation Grant and is held for approved projects (Note 5).

6. DEBT LIMITS

Section 276 (2) of the Municipal Government Act requires that debt and debt limits as defined by Alberta Regulation 255/00 for the Summer Village of Sunset Point be disclosed as follows:

	<u>2020</u>	<u>2019</u>
Total debt limit	\$ 767,406	\$ 797,946
Total debt	<u>-</u>	<u>-</u>
Amount total debt limit unused	<u>\$ 767,406</u>	<u>797,946</u>
Debt servicing limit	\$ 127,901	130,508
Debt servicing	<u>-</u>	<u>-</u>
Amount of debt servicing limit unused	<u>\$ 127,901</u>	<u>130,508</u>

The debt limit is calculated at 1.5 times revenue of the municipality (as defined in Alberta Regulation 255/00) and the debt service limit is calculated at 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are guidelines used by Alberta Municipal Affairs to identify municipalities that could be at financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the municipality. Rather, the financial statements must be interpreted as a whole.

(1) Salary includes regular base pay, bonuses, overtime, lump sum payments, gross honoraria and any other direct cash remuneration.

(2) Benefits and allowances figures also include the Employer's share of the costs of additional taxable benefits including travel allowance

10. FINANCIAL INSTRUMENTS

The Summer Village's financial instruments consist of cash, taxes and grants in place of taxes, accounts receivable, accounts payable and accrued liabilities, prepaid taxes and deferred revenue. It is management's opinion that the Summer Village is not exposed to significant interest or current risks arising from these financial instruments.

The Summer Village is subject to credit risk with respect to taxes receivables and trade and other receivables. Credit risk arises from the possibility that taxpayers and entities to which the Summer Village provides services may experience financial difficulty and be unable to fulfill their obligations. The number and diversity of taxpayers and customers minimizes the credit risk.

Unless otherwise noted, the carrying value of the financial instrument approximates fair value.

11. APPROVAL OF FINANCIAL STATEMENTS

Council and Management have approved these financial statements. The budgeted figures have been presented for information purposes and are unaudited.

12. COMPARATIVE FIGURES RESTATEMENT

The Summer Village has restated certain prior years numbers to conform with this year's presentation..

DESCRIPTION AND EXPECTATION

Revenues consists of taxes collected, flow through requisitions interest, penalties grants and other misc revenues.

Expectations for this account can vary annually on the provincial grant received. The tax roll is fairly consistent from year to year

RISK

The risk in these accounts are low as a significant portion of revenue is generated from tax rolls and provincial grants.

PROCEDURES

We will examine accounts to search deferred revenue and obtain variance explanations as required.

We will perform a reasonability test on the tax revenue

ANALYTICAL

The increase in the account is due to slight increases in the tax roll, increases in penalties charged on outstanding taxes, additional sewer fees assessed to the Pentecostal Camp and the recognition of deferred revenue to cover the Storm water expenses.

DESCRIPTION AND EXPECTATION

Expenditures consists of all expenses incurred by the summer village. It is expected that these will remain fairly consistent year over year.

RISK

The risk in these accounts are low.

PROCEDURES

We will select a sample of invoices go test the assertions of accurate, complete and valued correctly in the correct period.

ANALYTICAL

Expenditures have decreased in the current year due as there was no tax refunds for special circumstances like the ice quake.

This is consistent with our discussions and knowledge of the summer village.

CONCLUSION

The audit evidence obtained is sufficient and appropriate to reduce the risk of material misstatement to an acceptably low level.

1. Audit has viewed this invoice and determined the policy effecti date is Jan 1/19 - Jan 1/20.

Council reviews the insurance coverage annually to ensure adequate coverage

2. ASPC 2018 Fees and 2019 Accrual

3. See WP 618 for testing

4. Agreed to the CAO contract \$3750 *12 = \$45,000

5. Includes Computer repair, Printer Software and WINFIN software updates

6. These are fees paid to begin the process of tax recovery fees on residents in tax arrears. During 2017 two properties were forwarded for tax recovery

7. CAO's during the year did not live in the Summer Village. Mileage is charged when doing Summer Villager duties. Approved by Council

8. Audit examined all invoices > \$500 all for office supplies no other capital assets located.

9. When compared to budget expenses are slightly higher due to higher office, software and general fees and accrual of ASPC fees

10. Even though the fire smart program with the AB Government has ended it is consistent throughout the summer villages that there is an active role being taken to protect the SV properties from the risk of wild fires.
